Luke 10:34

"He went to him and bandaged his wounds....Then he put the man on his own donkey, took him to an inn and took care of him.

This verse is from a story that Jesus told about the "good Samaritan." There was a man hurt on the side of the road and many people had walked right by, but this man was the only one to stop and help the stranger. Even though he did not know the man he cared for him like member of his family. God wants us to take care of others even if no one else will.

Would you have the courage to take care of someone you do not know or even someone you do not like?

God wants us to show love to everyone, because we are all equally created by Him.

Would you be brave enough to be kind to someone that none of your friends like? Or even someone who has been mean to you?

Give Back Camp

At Camp Teekna we believe that service to others is one of the most effective ways to bring youth closer to Christ. It helps them to realize the need they have for a savior and see how He provides for those who are less privileged than themselves. The impact the campers can have on those they serve and the lessons learned in the process are invaluable.

[There are 2 Give Back Sessions being offered](#)
Give Back I (June 18-22): The Philadelphia Project
