Camper Devotions

*Psalm 19:1-2
The heavens declare the
glory of God; the skies
proclaim the work of His
hands.*

*Last month we learned
that God crated all
things. Have you ever
taken the time to look up
at the sky or any creation
here on earth and
consider how amazing it
is? As you have fun
playing around in the
falling leaves this season,
remember that God
created them and be
thankful. God made His
amazing creation to point
everyone toward Him no
matter where they live or
what they believe.*

*Will you be brave enough
to share with a friend
that God created
everything they see
around them?*

**Devotion inspired by a Teen
Camp Hike up to Pulpit Rock
Lookout in Hamburg PA. on
July 7, 2011.*

October News

The pool is covered and all is still in the back fields of Teekna as we get ready for the winter months. The leaves are beginning to fall and the Lord's creation is shouting His name aloud for all to hear through the beauty of this season.

We are continuing to plan for our upcoming Hayride and Bonfire event. Many summer staff will be back to visit and volunteer their time to make this event possible. It is sure to be a fun time to catch up. Feel free to invite a friend or bring a whole youth group. All are welcome!

As we continue to look forward to next summer, the wheels are turning and the brochure should be drafted within the next two months and ready for your eyes come January! We are very excited about some major changes to the program and structure at camp that we are certain will improve your child's experience. Logistics for a number of sports camps to be offered will be finalized within the next two weeks!

God Bless and we hope to see you and your family soon!

Summer Snapshot

*There will be multiple improvements to our program this summer. One of these is the addition of **3 new overnight experiences** which will benefit both Jr. and Teen Camp.*
