Program Overview

The Wall at our low ropes course

Declaration Adventures operates as part of Camp Teekna at Delaware County Christian School. Camp Teekna is a premier Christian day camp located in Devon PA.

As part of the ministry of Camp Teekna, we seek to provide experiential learning opportunities for DC and the surrounding community. The mission of Declaration Adventures is to spread faith in Christ and strengthen relationships with Him through the use of outdoor adventure activities.

All of our programs are ideal for church leadership groups, small groups, youth groups, missions teams and many more. We will customize a program to meet your groups needs.

Low Ropes and Initiatives

This portion of our program includes group games, initiatives and challenges. These activities are designed to increase group cohesion, identify roles and build trust. Your group will experience a fun and challenging environment in which to grow personally and spiritually.

High Ropes Course

Our high ropes elements offer participants the opportunity to challenge themselves on more of an individual basis while receiving and giving encouragement. This setting allows groups to conquer personal and collective goals in a fun, safe and exciting environment. This is a great experience by itself or in conjunction with a low ropes and initiatives program.

Our Giants Ladder and Leap of Faith at our High Ropes Course
