## Camper Devotions

Genesis 1:1  
 "In the beginning God created the heavens and the earth."

Did you know that God has always existed and has specially created each one of us? This world you see around you does not exist by chance; everything in it was made by the one true God who has always existed. God loves us and watches over us each day because He cares about His creation and wants nothing more than to have a relationship with each one of us.

Do you have a good relationship with your creator (God)?

\*Devotion based on Jr.Camp Pre-Historic week "Prime Time" (Chapel) summer 2011.

## Prayer Requests

1. Hayride and Bonfire.
2. Wisdom in Planning.
3. Fire Pit Construction.
4. Our campers and their families as they begin the new school years.

## September News

Here at camp, the dust has finally settled from our 2011 summer. We are reflecting on the past year and already beginning to look to the future and make continuous improvements to our program.

One area that is at the top of our list for enhancement is communication with camp families throughout the year! That is the purpose of this news-letter and we hope it will help bring our camp community even closer!

This month, a number of exciting things have happened here. Our first leadership team meeting yielded fresh theme and field trip ideas for next summer. Camp has also been approved to construct a permanent fire pit for our campers and planning for this year's events is underway.

Finally, we would like to sincerely thank those families whom we were so blessed to serve this summer at camp. You are the reason we exist and our motivation to improve. We hope to see you soon at one of our upcoming events. God Bless!
